

GRIEF CAMP

For Suicide Loss

***Free of Charge**

Comfort Zone Camp is a nonprofit bereavement organization that transforms the lives of children who have experienced the death of a parent, sibling, primary caregiver, or friend. Together with our partner, A Little Hope, Inc., we are offering a grief camp for those who have experienced the death of a parent, guardian, sibling, or friend to suicide. This camp offers 3-day weekend long programs for campers ages 7-17, young adults ages 18-25; and a parent/guardian program. **Since 1999, CZC has helped 21,000+ children.**

THE IMPACT

Campers leave the camp "bubble" transformed with a community, coping skills and new friends who "get it".

Kerry K. Camper Parent

“My son’s father died by suicide in 2018; he was 7 years old. Since then, CZC has been his place to find a community of other kids who share similar experiences, and grieve with kids and caregivers who are there to support him, lift him up, make him laugh, and allow him a safe place to be vulnerable.”
